

# I: Intro: Confused Reality (0:00-1:30)

**Start a drone. Sporadic shorter samples and reattack of drone thrown in every now and then:**

0:00 Player 1 starts drone

0:10 Player 2 starts drone

0:20 Player 3 starts drone

0:30 Player 4 starts drone

0:40 Player 5 starts drone

~1:00 Transition: players slowly stop their drone starting with player one

Change your samples after you fade out

Player 5 faintly starts twinkly soul sound

1:00 Player 1 & Player 2

1:10 Player 3 & Player 4

1:20 Player 5

Player5 leads us into section II with sound ringing for ~20 seconds

## II: Reliving (awake again) (1:40-3:15)

Usage of sharper, distorted? sounds.

Slowly type-without space bar. Answering prompts(if you like)?.

Occasionally and randomly hit a number (be sure to set the volume a bit higher than the rest of your sounds)

1:40 Player 1 slowly start answering movement II questions with a little bit of pause in between

1:50 Player 2 slowly start answering movement II questions with a little bit of pause in between

2:00 Player 3 start join in answering questions as well

2:10 Player 4 & 5 join too

2:40 Start typing faster

Are you always early, on time, or late?

-Tell a story about the time you were really late/early?

What's the most random thing?

-What is the most random thing you've done?

If you could invent anything, what would it be?

How much sawdust can you put into a Rice Krispie Treat before people start to notice?

Have you played any sports? Which ones?

How am I feeling today, right now?

If I could have any dream I wanted tonight, what would it be about?

Favorite Food(s)?

Transition into III: one person stops and starts a drone

-other players slowly dropout- changing sounds if desired

# III Acceptance (3:15-5:00)

Player(s) start a drone with new sounds if desired

Remaining Players answer to the close ended questions- Either YES or NO

III A:

For first 4 questions, players take turns answering them one at a time, couple seconds of pause between each one

After first two questions, proceed to start answering at same time, slowly increase response frequency

Do you like animals?

Do you play video games?

Can you whistle? fi

Do you like Legos?

Have you ever built a pillow fort?

Do you like the beach?

Do you have any grapes?

Is it night time?

Are you cold?

Do dreams have meaning?

Do you like sunlight?

III B: Answer the questions with/ along the lines of "Yes, I do think so" or "no, I don't think so"

4:45 transition : one person slowly start a drone

## IV Ascension (5:00-7:00)

5:00 2nd drone start up

5:10 3rd drone start up

5:20 Player (not a drone) start answering the movement IV questions quickly

5:30 Player (also not a drone) start answering the movement IV questions quickly

5:40 All other players start answering the questions, continue maintaining their drone

6:30 *We goin crazy mode* 🤪 0.0

7:00 hold down space bar

To end ? fade out whenever after 15 or so seconds

What are you proud of, but never have an excuse to talk about?

What's the worst part about you?

What are your biggest regrets?

-If you could go back in time

What am I proud of?

What's the hardest thing you've done?
